## HOW TO PARTICIPATE

### Register

All guests must check-in at the entry desk. Having kept your advance purchase ticket and auction program will streamline your check-in process. You will receive your bidding number that should be used for all of your bidding at the auction.

### Checkout

Cash or check payment is preferred. Credit cards can be accepted. All payments are due at the close of the evening.

### Silent Auction

At the silent auction tables, you will find items or services listed and displayed. Bid on any item by entering your number and your bid. Remember that the \$ amount listed is only the minimum bid. Of course, someone can later offer a higher bid on the item, so go back and check the bidding sheet and offer a higher bid if you have your heart set on a particular item.

### Voice Auctions

At the Voice Auction, themed dinners and selected special offerings will be open for bidding. Bid in whole dollar increments. Others may bid higher and the bidding will continue until there are no more bids. Please signal your bid with your bid number printed on the back of your program.

# ENTERTAINMENT

## Caricatures by Mr. David C. Perry

David's Caricature Portraits are popular for their "kinder, gentler" style with likable likenesses. They are fun, but flattering, so that everyone ends up thrilled to see themselves as characters in a cartoon scene featuring big heads with little bodies and cool details, all tailored to each person's choice of theme. Pick your favorite sport, hobby or fantasy and have a seat! Posing is painless – and watching a picture take shape is a magical spectator sport. Suggested minimum donation: \$10 per person. Cash accepted or you may "put it on your tab" for final checkout. Learn more about this multitalented artist/musician/funnyman at [www.MrDavid.com](http://www.MrDavid.com).

## Performance by Jeff Lohan

Jeff Lohan's debut album is just simply beautifully composed. It breaks it down to the simplicity of a man and his guitar and proves sometimes that's all you really need. From the production side all the way through to the arrangements and lyrics on this album, gives you the traditional singer/songwriter vibe similar to what you would hear from artists like Jim Croce, James Taylor, and Gordon Lightfoot just to name a few, but also proves to be current at the same time.

Jeff performs locally in the Bucks and Montgomery Country areas at various music venues and community events. You can check out more information, his story, schedule and music samples at [www.jefflohanmusic.com](http://www.jefflohanmusic.com)

## **Games (included in your ticket price)**

**BEST DRESSED:** Each guest received five (5) tickets at the check-in table. As you enjoy your evening and make your auction bids, keep an eye out for those who dressed to the theme. Please give a ticket to deserving attendees. The winner of the Best Dressed contest will be determined at the end of the evening by the number of tickets earned.

Stop by our three simple game stations.

- **Guess How Many Chess Pieces:** Just as the name suggests, we invite each guest to make a guess and grab a treat while you're here. Winner will receive a special Wonderland prize.
- **Pick A Card:** Stop by and pick a card. Each card earns a yummy treat or Wonderland themed prize
- **Alice in Wonderland scratch-off tickets –** The element of surprise. Get your ticket and see what you've won.
  
- Towards the end of the evening, we will play Heads or Tails. All are welcome to join in the fun.
  
- A prize will be given to the member/friend of TPUUF who has brought the most guests to our auction.

**Donated by the TPUUF Community**

**BASKET03 – Drink Me Potion Basket:** “However, this bottle was not marked ‘poison,’ so Alice ventured to taste it, and finding it very nice, (It has, in fact, a sort of mixed flavor of cherry-tart custard, pineapple, roast turkey, toffee, and hot buttered toast,) she very soon finished it off.” No poison in this basket, but instead a collection of wines and other drinks to make your own magical potions. A party starter...additions to the home bar...or a BYOB basket for a future dinner out.

Donated by Rhiannon Sherrard & Jake Kunkel

**BASKET04 – Curioser and Curioser Basket:** “Curioser and curioser!” cried Alice (she was so much surprised, that for the moment she quite forgot how to speak good English); ‘now I’m opening out like the largest telescope that ever was! Good-bye feet!’ (for when she looked down at her feet, they seemed to be almost out of sight, they were getting so far off.)” This basket won’t open you up physically but is designed to open up your mind and challenge you with a collection of brain teasers, puzzles, and projects to ponder.

Donated by the TPUUF Community

**BASKET05 – Eat Me Cake Basket:** “Well, I’ll eat it,” said Alice, “and if it makes me grow larger, I can reach the key; and if it makes me grow smaller, I can creep under the door: so either way I’ll get into the garden, and I don’t care which happens!” This basket is for the baker in us all and may just have the recipe for those magic cakes.
